

Bonshaw Public School

RESPECT

PARTICIPATE

CHALLENGE

A message from the Principal...

I would like to commence my first communication in the Bonshaw Public School Newsletter by extending heartfelt gratitude to the wonderful staff and students of Bonshaw PS and also the wider Bonshaw community for the incredibly warm and generous welcome that I have received over the past week. This sense of close-knit community has ensured a smooth settling-in period and I look forward to working in partnership with you all to build strong connections between Bonshaw PS and our village.

As many of you are aware, I have undertaken the Relieving Principal role on an interim basis and look forward to working collaboratively with our whole school community on projects that will raise the profile of our incredible school and also ensure that important forward planning for 2022 is underway.

Miss Kristie Fleeting

Miss Kristie Fleeting will be employed as our fulltime classroom teacher for the remainder of this year. Miss Fleeting comes to Bonshaw PS with a range of valuable expertise and has already formed a close rapport with the students. Miss Fleeting has a consistent, well-structured classroom routine in place and her effective leadership of the classroom will allow my focus to move now to undertaking formal evaluation and reflection processes related to our School Improvement Plan.

Ms Abby Chapman

Principal (Rel.)

Thursday, 18 November 2021

Today we started the Bonshaw Public School Breakfast Club!

Our students are up early each morning, getting dressed and organised in busy households so that they are on time to meet the bus or ready to travel some distance to school every day.

Some of the students topped up their breaky intake from home this morning and thought that a Bonshaw PS Breakfast Club was a great idea!

Exciting Facebook News!

Bonshaw Public School now has an official Facebook page!

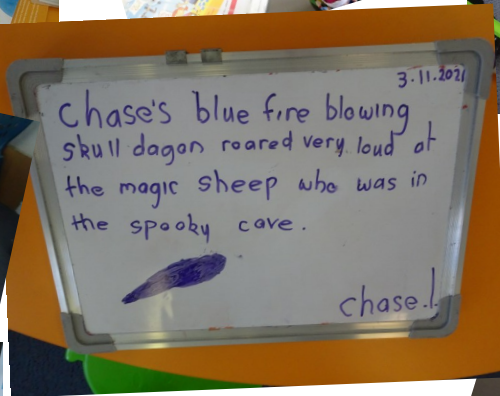

Our school Facebook page has been set up with the help of the Department of Education Social Media Team and will be a great way for the school to connect with parents and the wider community. The Bonshaw Public School Facebook page will be a platform where we are able to highlight all of the wonderful things happening at here at BPS! It will also provide the students with the opportunity to share their learning and achievements with special people at home.

Parents and carers will soon receive a note home regarding Facebook permission for their child.

**Like the Bonshaw Public School Facebook page to see more!

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight = **4** weeks  = Over **1** year missed

Diagram showing a 2-week cycle (M, T, W, T, F, M, T, W, T, F) with the first Wednesday (W) crossed out.

1 day per week = **8** weeks  = Over **2.5** years missed

Diagram showing a 1-week cycle (M, T, W, T, F, M, T, W, F) with the first Friday (F) crossed out.
